DoT Approved Operator

Seat belts, air conditioning

Reclining seats, toilet
and DVD player

TRANSPORT

Soft bodied bags/ holdalls are preferable rather than suitcases as hold area is limited.

Students may want to bring a neck pillow and bring their wash bag into the coach so they can freshen up on the ferry as there will be no opportunity for them to get things out of the coach.

The toilet is imperatively for emergencies only, there is plenty of opportunity on route for pupils to have a convenience stop.

TRANSPORT

P&O Ferry we will given timings nearer the departure date.

Ski Admin

There are still
several students
who have yet to
return:

1. The EHIC / GHIC
card

2. Behaviour
contract

3. Passport

Please see the list
before you leave.

I also need mobile
phone numbers for
each student.

Passports

GHIC & EHIC cards

Applying for healthcare cover abroad (GHIC and EHIC)

There are 2 types of cover available.

You can apply for either:

- a UK Global Health Insurance Card (UK GHIC)
- a UK European Health Insurance Card (UK EHIC), if you have rights under the Withdrawal Agreement

[Find out more about the Withdrawal Agreement on GOV.UK](#)

For most people, the UK Global Health Insurance Card (UK GHIC) replaces the existing European Health Insurance Card (EHIC) for new applications.

Luggage

Students should have no more than 1 suitcase or large bag that will be placed in the hold of the coach. A soft holdall would be preferable as they are easier to pack in the hold of the coach. Students must be able to carry their suitcase themselves.

Students will not have access to suitcases from the time of departure until they reach the hotel in Italy. Items needed for the journey, e.g. passport, money etc. should be carried in a small bag/rucksack in the coach.

You might wish to bring a pillow for the journey.

Suitcases should be labelled with the student's names and hotel / home address.

Ski Hoodie

Students will be issued with a Hoodie from Birds of Dereham

Money

Euros can be obtained commission free from the Post Office (they may need to be ordered). Banks may charge for changing money. Cash is preferable to pre-paid currency cards as they are easily lost and there are limited opportunities to withdraw cash from them.

Students will not require money for any meals.

Students should have a wallet / money belt / armband for their money and keep it safe on their person at all times. Students should be especially careful with their money and possessions when walking around.

£50-£75 worth of Euros is the recommended amount that students should bring. Do not bring large amounts of money.

Some English money would also be useful for services stops in the UK.

We advise students to have their own money and not to share with others.

Behaviour contract

You should have already signed and returned your behaviour contract .

Absolutely no alcohol or tobacco/vaping whilst we are on the trip.

Mobile phones

- Parents and pupils are reminded that mobile phones can act as distractions and can prevent pupils from making full use of the educational opportunities offered by the visit. However, a mobile phone is useful on this trip but would be your child's responsibility if taken.
- Students should give their mobile number to Mrs Forth prior to departure.
- Electric points for charging may not be easily available and will require an adaptor.
- Parents allowing their child to bring a mobile should consider the following:
 - if the phone has suitable **'roaming'** features.
 - any costs of using a mobile phone abroad - both for incoming and outward calls, texting and especially the use of data/internet.

Keeping in touch

We will use social media to keep you up to date with our progress.

If you do not wish to have your son / daughter in any photos that we post please let me know. It will of course be a closed group.

ANY QUESTIONS?
